

An artistic illustration featuring three stylized human figures balancing on blue, irregularly shaped platforms that resemble giant paper airplanes or folded sheets of paper. The figures are positioned at different heights: one at the top right, one in the middle left, and one at the bottom right. They are all in a balancing pose with arms outstretched. The background is a warm, textured orange-yellow gradient. Stylized white clouds are scattered across the sky. In the bottom left corner, there are stylized purple and brown buildings. The overall style is modern and graphic.

# The Sky's The Limit!

## CGA Educational Foundation Awards 241 Scholarships To Deserving Students

Kudos to the 2007-2008 California Grocers Association Educational Foundation college scholarship recipients!

This year 241 scholarships totaling \$285,000 were awarded to students attending college this fall.

"It is amazing how much this program has grown since our first scholarship for \$2,000 was awarded in 1998," said Foundation President Peter Larkin.

Beginning with the \$2,000 Don C. Beaver Scholarship, the Foundation's program has multiplied to more than 240 scholarships including a \$2,000 Hall of Achievement Scholarship and a \$1,000 Convenience Store Scholarship. These scholarships are open to CGA member company employees and their dependents.

Also available membership-wide are the Foundation's Legacy Scholarships and Donor Funded Scholarships. Legacy Scholarships are established to honor an individual or company with a \$1,000 college scholarship in that person's name.

Each Legacy Scholarship participant makes a 10 year commitment to our college scholarship program.

This year we are proud to offer eight Legacy Scholarships honoring Lou Amen, Jack Brown, Roger K. Hughes, Don Kaplan, Bill MacAloney, Al Plamann, Save Mart Supermarkets and Bob Wilson.

Member-funded Donor Scholarships include ten \$1,000 Illuminator Scholarships, two \$2,000 Classic Wines of

California Scholarships, one \$1,000 Larry Kranich Memorial Scholarship funded by Quik Stop Markets and one \$1,000 Paul A. Hughes Memorial Scholarship funded by HOWS Markets.

The Foundation also assists companies with providing their own scholarships for their employees through the Piggyback Partnership Program. Employees of participating companies apply for a CGA Educational Foundation Scholarship and automatically become eligible for their company's scholarships.

For more information on this program, contact Brianne Korte at (916) 448-3545 or bkorte@cagrocers.com.
