# 2013-2014 COLLEGE SCHOLARSHIP RECIPIENTS

Congratulations to the 2013-14 CGA Educational Foundation College Scholarship recipients. This year, 291 scholarships totaling \$359,750 were awarded to deserving students attending college this fall – which represents an \$18,500 increase over last year's award total.

Beginning with a single scholarship in 1992, the Foundation has grown exponentially over the last 21 years to bestow nearly 2,600 college scholarships totaling more than \$3 million—ensuring that California's grocery employees and their dependents have the resources necessary to start or complete their higher education.

The scholarship program includes four types of scholarships: CGAEF Funded, Legacy, Donor, and Piggyback.

CGA Educational Foundation college scholarships are open to high school seniors, college freshmen, sophomores, juniors, seniors and graduate students who are dependents of employees or are themselves employed by a California Grocers Association member company.

“CGAEF scholarship donors are investing in the development of tomorrow's grocery industry leaders,” said CGAEF Executive Director Shiloh London. “We are grateful for the tremendous ongoing support of our donors which allow the Foundation an

opportunity to provide college scholarships to deserving students.”

The CGA Educational Foundation was created under the direction of the California Grocers Association Board of Directors in 1992. Its mission is to provide financial assistance to advance the educational goals of CGA member company employees and their dependents and offer educational programs to advance the grocery industry.

For more information on the scholarship program, please contact Brianne Page at [Foundation@cagrocers.com](mailto:Foundation@cagrocers.com) or (916) 448-3545.
