

CGA Educational Foundation's Emergency Operations Manual

To help California grocers prepare for a natural or man-made disaster, the CGA Educational Foundation has released the 2010 Emergency Operations Plan and Standard Operating Procedures Manual – a 200-page comprehensive emergency preparedness guide that replaces the CGA Emergency Planning and Procedures Manual released in 2000. The manual is a free CGA membership benefit and can be downloaded from the Association website's "Members Only" section at www.cagrocers.com. Non-members can purchase the manual for \$500.

For more information, visit www.cgaef.org, or contact Brianne Korte, CGA Educational Foundation, at (916) 448-3545 or bkorte@cagrocers.com.
