CALIFORNIA GROCERS ASSOCIATION
EDUCATIONAL FOUNDATION

2020-2021
COLLEGE SCHOLARSHIP
Recipients

2020–2021 COLLEGE SCHOLARSHIP *Recipients*

Congratulations to the 2020–2021 CGA Educational Foundation College Scholarship recipients. This year, 368 scholarships totaling \$737,000 were awarded to deserving students attending college this fall.

Beginning with a single \$2,000 scholarship, the Foundation has grown exponentially over the last 28 years to bestow more than 5,000 worthy college students with awards totaling \$7.31 million – ensuring that California’s grocery employees and their dependents have the resources necessary to start or complete their higher education.

CGA Educational Foundation college scholarships are open to high school seniors, college undergraduates and graduate students who are dependents of employees or are themselves employed by a California Grocers Association member company. Recipients must be enrolled as an undergraduate or graduate student during the upcoming academic term.

Legacy scholarships are established to honor individuals, families, or companies with an annual scholarship in their name. Each Legacy scholarship represents a long-term commitment of 10 years to our program. This year we are pleased to acknowledge Ralphs/Food 4 Less as a new donor to the Legacy Scholarship program.

Member-funded Donor scholarships are unrestricted contributions to our scholarship fund. Donors include Anheuser–Busch InBev, Bristol Farms, C & S Wholesale Grocers, Ms. Ellyn Gelson, Mr. Eric Hanks, the Illuminators Educational Foundation, Kimberly–Clark Corporation, Moss Adams, and Zenith Insurance Company.

Lastly, the Foundation assists CGA member companies with providing scholarships for their employees through the Piggyback scholarship program. Employees of participating companies apply for CGAEF scholarships, and automatically become eligible for their company’s Piggyback scholarships. In 2020, 20 member companies provided awards to their employees through CGAEF.

“The CGA Educational Foundation is proud to provide this important program to Association members,” said Foundation Scholarship Director Brianne Page. “Education costs continue to rise exponentially year over year. We recognize and thank those that have donated to the scholarship program to help defray the cost for students pursuing a higher education. It highlights our industry’s commitment to supporting the next generation of leaders.”

For more information on the scholarship program or to get your company involved, contact Brianne Page at foundation@cagrocers.com or (916) 448–3545.

SCHOLARSHIP Endowment

The CGA Educational Foundation created the Scholarship Endowment honoring its 25th anniversary of supporting the industry with financial assistance and educational opportunities. The Endowment will perpetually award scholarships to grocery industry employees through an initial investment totaling \$250,000 from Founders Circle Members Acosta Sales & Marketing/Clorox, The Albertsons Companies Foundation, Anheuser-Busch InBev, Coca-Cola, Dean Foods/Got Milk, Frito-Lay, The Kellogg Company, Raley's, Stater Bros. Markets Charities, Southern Glaziers Wine & Spirits, and Unilever.

In honor of the Foundation's past and future Hall of Achievement Inductees, the CGA Educational Foundation established the Legends of the Industry Scholarship as part of the Scholarship Endowment. This scholarship is an annual \$10,000 scholarship awarded to an employee pursuing a career in the grocery and/or grocery-related manufacturing industries.

IN HER WORDS

I am pursuing a degree in business to better myself and to be more valuable

to the company. I have worked in the grocery industry for nearly thirty years. Furthering my education is going to give me a better understanding of business basics such as marketing techniques, financial models and how to read and interpret business reports. I will also be better equipped to make managerial decision that will contribute to the success and growth of the company.

I want to continue my career in the grocery industry and expand my knowledge by pursuing the positions of buyer and assistant sales manager. My position in the divisional office has me working with buyers and sales managers; this has given me insight into their positions and feels like the next logical step for me in my career. I enjoy the details of both positions and am fully confident that I will flourish when given the opportunity.
