What is the Legends of the Industry Scholarship?

In 1991, the CGA Educational Foundation created the Hall of Achievement, a prestigious award program to honor those individuals who have contributed substantially to the benefit and advancement of the grocery industry. The Hall of Achievement provides the grocery industry with the opportunity to recognize the achievements of those individuals who have made a difference.

In honor of all past and future Hall of Achievement Inductees, the CGA Educational Foundation established the Legends of the Industry Scholarship. This scholarship is an annual \$10,000 award given to one applicant who is pursuing a career in the grocery and/or grocery-related manufacturing industries. To be eligible for this award, applicants must:

- be a full-time or part-time employee of a CGA member company

- be an undergraduate or graduate student
- have been employed for at least **two** years as of April 1, 2021
- be pursuing a career in the grocery or grocery-related manufacturing industries

Are there any other types of scholarships?

- Yes, there are a number of awards which are sponsored, and have specific eligibility requirements. You will be considered for all scholarships where you meet eligibility, but you may only receive one.
- The “Financial” section of this application is NOT required unless you are interested in applying for financial need-based awards. A copy of your Student Aid Report (SAR) from your FAFSA is required. If you do not submit your SAR, your application will not be considered for any financial need-based awards.

What are my responsibilities if I am chosen as a recipient?

Undergraduate students must enroll as full-time (or part-time, if applicable) students in the fall of the year in which the scholarships are awarded and continue the entire academic year without interruption unless approved by scholarship sponsor. Graduate students must enroll in either the following fall or spring semester of the year in which the scholarships are awarded.

You are responsible for delivering your scholarship check(s) to the proper office at your institution with its attached instructions. You should notify ISTS should your check not arrive within 30 days of the issue date. You will receive an email notification when your funds are issued.

How and when are funds issued?

Your funds will be issued via one (1) check in early August. Your check will be made payable to your institution listed on your **My Profile** page only. *Your scholarship check cannot be made payable to you, the applicant.* The check will be mailed to your home address so that you may deliver it to the correct office at your institution. You will receive an email notification once your funds have been issued.

Important note about \$10,000 Legends of the Industry Scholarship

Payments will be awarded in two installments: half for Fall term issued in late July/early August and half for Spring term issued in December.

How do I change my college choice?

Make sure your **My Profile** page and your **Acceptance Form** indicates your final college choice. It is your responsibility to ensure your **My Profile** page is correct at least 30 days prior to the check issue date listed above.

Part of the acceptance process is to solidify your college choice. Please ensure your **Acceptance Form reflects your final college choice**. If your scholarship check needs to be reissued for any reason, a reissue fee will apply.

Application Details

Which school should I list on the application if I have not made a final decision?

You should list your first-choice school on the application. You can change your college choice any time prior to the application deadline. If selected as a recipient, you will be asked to confirm your final school choice. If your school changes after the acceptance deadline, you will be able to update this information on your **My Profile** page.

My parent's employment makes me eligible for this scholarship. Whose contact information should I include?

You, the applicant, must register for an account with a personal email address. *Do not use a parent's work email address.* Your **My Profile** page should reflect your legal name and contact information. Your parent's employment information is needed and will be requested within the eligibility section of the application.

What are the differences between Official and Unofficial Transcripts?

Official transcripts must be obtained through your high school administration office, or your college registrar office. Transcripts are normally printed on official letterhead and/or state that they are official. Transcripts may contain or require a signature.

*Note: Your official transcript may come to you in a sealed envelope, stating it will become unofficial if opened. When scanning or copying your official transcripts, a watermark may appear noting that they are now unofficial. **Despite any watermarks or sealed envelopes, you may open the envelope if needed to upload the document. These documents will be considered official for our purposes.** Acceptable file types are **.pdf, .tif, .png, .jpeg, .jpg, .bmp and .xps**. When scanning or copying, you do not need to include a copy of the sealed envelope.*

Unofficial transcripts may be accessed through your school's online student portal. These pages must still be converted to one of the acceptable file formats. **Unofficial transcripts must contain your name.**

What supporting documentation is required for this application?

- ACT/SAT Test Scores: Incoming College Freshman and Sophomores only.
- High School Transcript: Incoming College Freshman and Sophomores only. Both Official and Unofficial are Acceptable.
- College/University Transcript: Incoming College Sophomores, Juniors, Seniors, and Graduate Students. Both Official and Unofficial are Acceptable.
- 2021-22 FAFSA Student Aid Report (SAR): Applicants who would like to be considered for financial need based awards.

Where and when should I send my supporting documents?

All required supporting documents must be uploaded to your online application by the application deadline. If you do not follow the upload instructions exactly, your application may remain incomplete. Documents that meet the criteria required for this application that are uploaded by the deadline will be processed and considered on time.

Notifications

How will I be notified about the status of my application?

Notifications are sent primarily via email to the email you used to create your account. **Ultimately, it is your responsibility as the applicant to verify your application status on your Home page is Complete.**

What notifications will be sent to me?

- **Deadline Reminders:** Deadline reminder emails are typically sent two (2) weeks and one (1) week prior to the application deadline.
- **Selection Results:** Selection results notifications are sent to all **Complete** applicants in June 2021.
- **Funds Disbursed:** Once your funds have been issued, you will be notified.
- **Other Scholarships:** Occasionally, if you meet the requirements for another scholarship administered by ISTS, you will be notified. These notifications are not guaranteed.

Your information is never sold to any third party for marketing purposes.

Who will notifications be sent from?

You will receive notifications from two (2) possible ISTS email addresses: donotreply@applyISTS.com and ContactUs@applyISTS.com. You should add both email addresses to your “safe senders list” to ensure important emails are not sent to your spam or junk folder.

When will I receive notifications?

Notifications vary by program based on the Program timeline. Refer to the Program timeline listed above for more specific information.

Can I opt out of notifications?

While you can opt out of notifications, this is not advised. It is your responsibility as the applicant to ensure your application is **Complete**. If you opt out of notifications, you will not receive deadline reminders or selection results. **Your information is never sold to any third party.** The only emails you will receive from ISTS are directly related to your application and, *possibly*, other scholarship opportunities.

Document Upload

What should be visible on my documents?

All uploaded documents **must** show your name. If you are using an online portal to access your required documentation and all that is visible is the salutation and your first name (Example: Welcome Joe!), this will meet the name requirement.

What are the acceptable file types?

The only acceptable file types are **.pdf, .tif, .png, .jpeg, .jpg, .bmp and .xps**. Any other formats will not be reviewed, and your application will remain incomplete

Why can't I upload a Word document?

ISTS does not accept any file format that is editable.

How do I upload more than one file at a time?

You may create a .zip file containing more than one file as long as everything included is in an acceptable file type of **.pdf, .tif, .png, .jpeg, .jpg, .bmp and .xps**. Do not upload additional documentation that is not requested. It will not be reviewed.

4. Your new **.zip** file will be located on your Desktop, ready to upload.

How long does it take to process my uploaded documents?

Documents are processed daily. Your document will be processed within five (5) to seven (7) business days. If your document was uploaded prior to the deadline, it will be reviewed and considered. However, it is your responsibility to monitor your **Home page** to ensure your document is **Accepted**.
