# COLLEGE SCHOLARSHIP *Recipients*

**cgaef**  
CALIFORNIA GROCERS ASSOCIATION  
EDUCATIONAL FOUNDATION

2021–2022

## COLLEGE SCHOLARSHIP *Recipients*

Congratulations to the 2021-2022 CGA Educational Foundation College Scholarship recipients. This year, 408 scholarships totaling \$809,750 were awarded to deserving students attending college this fall.

Beginning with a single \$2,000 scholarship, the Foundation has grown exponentially over the last 29 years to bestow nearly 5,500 worthy college students with awards totaling \$8.12 million – ensuring that California’s grocery employees and their dependents have the resources necessary to start or complete their higher education.

CGA Educational Foundation college scholarships are open to high school seniors, college undergraduates and graduate students who are dependents of employees or are themselves employed by a California Grocers Association member company. Recipients must be enrolled as an undergraduate or graduate student during the upcoming academic term.

Legacy scholarships are established to honor individuals, families, or companies with an annual scholarship in their name. Each Legacy scholarship represents a long-term commitment of 10 years to our program.

Member-funded Donor scholarships are unrestricted contributions to our scholarship fund. Donors include Anheuser-Busch InBev, C & S Wholesale Grocers,

Ms. Ellyn Gelson, Mr. Eric Hanks, the Illuminators Educational Foundation, Kimberly-Clark Corporation, Moss Adams, Retail Marketing Services, Inc. (RMS), and Zenith Insurance Company.

Lastly, the Foundation assists CGA member companies with providing scholarships for their employees through the Piggyback scholarship program. Employees of participating companies apply for CGAEF scholarships, and automatically become eligible for their company’s Piggyback scholarships. In 2021, 22 member companies provided awards to their employees through CGAEF.

“The CGA Educational Foundation is proud to provide this important program to Association members,” said Foundation Scholarship Director Brianne Page. “Education costs continue to rise exponentially year over year. We recognize and thank those that have donated to the scholarship program to help defray the cost for students pursuing a higher education. It highlights our industry’s commitment to supporting the next generation of leaders.”

For more information on the scholarship program or to get your company involved, contact Brianne Page at [foundation@cagrocers.com](mailto:foundation@cagrocers.com) or (916) 448-3545.

## SCHOLARSHIP *Endowment*

The CGA Educational Foundation created the Scholarship Endowment honoring its 25th anniversary of supporting the industry with financial assistance and educational opportunities. The Endowment will perpetually award scholarships to grocery industry employees through an initial investment totaling \$250,000 from Founders Circle Members Acosta Sales & Marketing/Clorox, The Albertsons Companies Foundation, Anheuser-Busch InBev, Coca-Cola, Dean Foods/Got Milk, Frito-Lay, The Kellogg Company, Raley's, Stater Bros. Markets Charities, Southern Glaziers Wine & Spirits, and Unilever.

In honor of the Foundation's past and future Hall of Achievement Inductees, the CGA Educational Foundation established the Legends of the Industry Scholarship as part of the Scholarship Endowment. This scholarship is an annual \$10,000 scholarship awarded to an employee pursuing a career in the grocery and/or grocery-related manufacturing industries.

Employed by Smart & Final in Bakersfield

#### **IN HIS WORDS**

I was born and raised in California and came from a very blue collar family. My parents worked retail jobs to support us. They had their high school degrees but no college schooling. So, following their model, I immediately got a job when I graduated high school in 2003. However, it was evident to me after a few years that this was a big

mistake. The circumstances of the changing economy made me realize that I needed more skills and more knowledge to be very successful.

In 2012 I enrolled in college at CSU Bakersfield. It quickly became apparent that college was drastically different for someone like me, a "nontraditional student." I was 26, working, attending school part time, married, and starting a family.

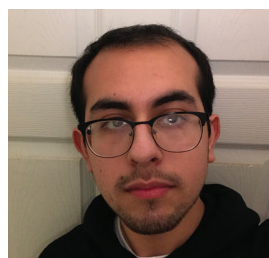

Being a nontraditional student is a very unique experience. Many students are involved in campus activities, however I didn't have the time for these as I usually head straight home after class to spend time with my kids or to get ready for work. On my lunch breaks, I often seek solitude in my car so I can study. I can recall emailing my notes to myself, then pulling them up on my phone and studying while baling cardboard for the night crew in the early mornings.

I know that this is worth it in the end. It will give my sons something to be proud of and, most of all, give myself something to be proud of when I finally accept that Bachelor's degree.

SAFEWAY

*Coca-Cola*

**Raley's**

In 2017, CGA Educational Foundation announced the creation of the CGAEF Scholarship Endowment honoring their 25th anniversary of supporting the grocery industry with financial assistance and educational opportunities.

The CGAEF Scholarship Endowment supports student success and opportunity by creating a permanent funding source for college scholarships, offering relief to the rising costs that keep many students from completing their education.

California is a place of opportunity—and no industry embodies this promise more than the grocery industry.
