CALIFORNIA GROCERS ASSOCIATION
EDUCATIONAL FOUNDATION

2022–2023
COLLEGE SCHOLARSHIP
Recipients

Congratulations to the 2022-23 CGA Educational Foundation College Scholarship recipients. This year, 354 scholarships totaling \$780,000 were awarded to deserving students attending college this fall.

Beginning with a single \$2,000 scholarship, the Foundation has grown exponentially over the last 30 years to bestow nearly 5,900 worthy college students with awards totaling \$8.9 million—ensuring that California’s grocery employees and their dependents have the resources necessary to start or complete their higher education.

CGA Educational Foundation college scholarships are open to high school seniors, college undergraduates and graduate students who are dependents of employees or are themselves employed by a California Grocers Association member company. Recipients must be enrolled as an undergraduate or graduate student during the upcoming academic term.

Legacy scholarships are established to honor individuals, families, or companies with an annual scholarship in their name. Each Legacy scholarship represents a long-term commitment of 10 years to our program.

Member-funded Donor scholarships are unrestricted contributions to our scholarship fund. Donors include Anheuser-Busch InBev, C & S Wholesale Grocers,

Certified Federal Credit Union, Ms. Ellyn Gelson, the Illuminators Educational Foundation, Kimberly-Clark Corporation, the Melillo Family, Moss Adams, and Retail Marketing Services, Inc. (RMS).

Lastly, the Foundation assists CGA member companies with providing scholarships for their employees through the Piggyback scholarship program. Employees of participating companies apply for CGAEF scholarships, and automatically become eligible for their company’s Piggyback scholarships. In 2022, 19 member companies provided awards to their employees through CGAEF.

“The CGA Educational Foundation is proud to provide this important program to Association members,” said Foundation Director Brianne Page. “Education costs continue to rise exponentially year over year. We recognize and thank those that have donated to the scholarship program to help defray the cost for students pursuing a higher education. It highlights our industry’s commitment to supporting the next generation of leaders.”

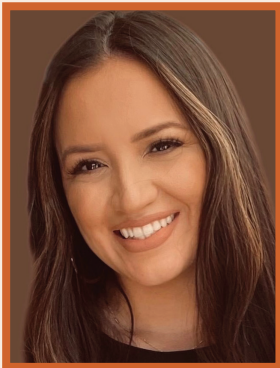

For more information on the scholarship program or to get your company involved, contact Miriam Ellis at foundation@cagrocers.com or (916) 448-3545.

SCHOLARSHIP *Endowment*

The CGA Educational Foundation created the Scholarship Endowment honoring its 25th anniversary of supporting the industry with financial assistance and educational opportunities. The Endowment will perpetually award scholarships to grocery industry employees through an initial investment totaling \$250,000 from Founders Circle Members Acosta Sales & Marketing/Clorox, The Albertsons Companies Foundation, Anheuser-Busch InBev, Coca-Cola, Dean Foods/ Got Milk, Frito-Lay, The Kellogg Company, Raley's, Stater Bros. Markets Charities, Southern Glaziers Wine & Spirits, and Unilever.

In honor of the Foundation's past and future Hall of Achievement Inductees, the CGA Educational Foundation established the Legends of the Industry Scholarship as part of the Scholarship Endowment. This scholarship is an annual \$10,000 scholarship awarded to an employee pursuing a career in the grocery and/or grocery-related manufacturing industries.

IN HER WORDS

As a child, I never quite envisioned a career as a business professional. As a matter of fact, I am not sure I knew who or what Human Resources (HR) was until my first job, post high school, as a cashier. My family and I knew I would work in a field where I would help people and I imagined being a doctor, a therapist, and even started college

as a psychology major, but that swiftly changed when I was asked to temporarily fill a position at my company's corporate office.

I am humbled and grateful to have been given the opportunities to grow and develop within my organization, but I believe my zeal to learn, evolve, and excel has helped me along the way. When accepting my latest role as HR Director and asked where I see myself in the next five years, I committed to obtaining my master's degree in Human Resources Management and become the next Vice President of Human Resources.

Human Resources is not always light and comfortable, but what makes me successful is using every opportunity, in every situation, to make an impact on someone – to truly be a resource to every employee I encounter. Whether it is implementing a new program, providing a development opportunity, or simply creating an open forum and reminding others they have a voice, that their words, thoughts, and beliefs have value. Obtaining my master's degree has been a life-long dream and I am committed to taking the knowledge, skills, and experiences of my professors, advisors, and peers to remain cutting edge, to do what is right, and to remember that Human Resources isn't just the thing I do, it's who I am.

CGA EDUCATIONAL FOUNDATION

WOULD LIKE TO THANK THE FOLLOWING
COMPANIES FOR THEIR SUPPORT OF THE
CGAEF SCHOLARSHIP ENDOWMENT

In 2017, CGA Educational Foundation announced the creation of the CGAEF Scholarship Endowment honoring their 25th anniversary of supporting the grocery industry with financial assistance and educational opportunities.

The CGAEF Scholarship Endowment supports student success and opportunity by creating a permanent funding source for college scholarships, offering relief to the rising costs that keep many students from completing their education.

California is a place of opportunity—and no industry embodies this promise more than the grocery industry.
