CALIFORNIA GROCERS ASSOCIATION  
EDUCATIONAL FOUNDATION

2023 - 2024  
COLLEGE SCHOLARSHIP  
*Recipients*

Congratulations to the 2023-24 CGA Educational Foundation College Scholarship recipients. This year, 353 scholarships totaling \$753,500 were awarded to deserving students attending college this fall.

Beginning with a single \$2,000 scholarship, the Foundation has grown exponentially over the last 32 years to bestow nearly 6,200 worthy college students with awards totaling \$9.6 million—ensuring that California’s grocery employees and their dependents have the resources necessary to start or complete their higher education.

CGA Educational Foundation college scholarships are open to high school seniors, college undergraduates and graduate students who are dependents of employees or are themselves employed by a California Grocers Association member company. Recipients must be enrolled as an undergraduate or graduate student during the upcoming academic term.

Member-funded Donor scholarships are unrestricted contributions to our scholarship fund. Donors include Anheuser-Busch InBev, C & S Wholesale Grocers, Certified Federal Credit Union, Ms. Ellyn Gelson, the Illuminators Educational Foundation, Kimberly-Clark Corporation, PepsiCo Beverages North America Scholarship, the Melillo Family, Moss Adams, Retail Marketing Services, Inc. (RMS), Rockview Family Farms, and Ms. Rosario Bobadilla Farias.

Legacy scholarships are established to honor individuals, families, or companies with an annual scholarship in their name. Each Legacy scholarship represents a long-term commitment of 10 years to our program.

Lastly, the Foundation assists CGA member companies with providing scholarships for their employees through the Piggyback scholarship program. Employees of participating companies apply for CGAEF scholarships, and automatically become eligible for their company’s Piggyback scholarships. In 2023, 19 member companies provided awards to their employees through CGAEF.

“The CGA Educational Foundation is proud to provide this important program to Association members,” said Foundation Director Brianne Page. “Education costs continue to rise exponentially year over year. We recognize and thank those that have donated to the scholarship program to help defray the cost for students pursuing a higher education. It highlights our industry’s commitment to supporting the next generation of leaders.”

For more information on the scholarship program or to get your company involved, contact Miriam Ellis at [foundation@cagrocers.com](mailto:foundation@cagrocers.com) or (916) 448-3545.

## SCHOLARSHIP *Endowment*

The CGA Educational Foundation created the Scholarship Endowment honoring its 25th anniversary of supporting the industry with financial assistance and educational opportunities. The Endowment will perpetually award scholarships to grocery industry employees through an initial investment totaling \$250,000 from Founders Circle Members Acosta Sales & Marketing/Clorox, The Albertsons Companies Foundation, Anheuser-Busch InBev, Coca-Cola, Dean Foods/ Got Milk, Frito-Lay, The Kellogg Company, Raley's, Stater Bros. Markets Charities, Southern Glazers Wine & Spirits, and Unilever.

In honor of the Foundation's past and future Hall of Achievement Inductees, the CGA Educational Foundation established the Legends of the Industry Scholarship as part of the Scholarship Endowment. This scholarship is an annual \$10,000 scholarship awarded to an employee pursuing a career in the grocery and/or grocery-related manufacturing industries.

#### **IN HER WORDS**

I am currently pursuing a bachelor's degree in business administration at the University of Massachusetts with a goal of graduating in Fall of 2024. Once I receive this incredible degree, I plan to attend the University of Southern California in pursuit of a master's degree in business. I am pursuing these degrees because professional and personal

growth are top priorities for me. I know that my education will continue to allow me to become a successful leader and business professional in our food industry, with an ultimate goal of being a Chief Executive Officer. Furthermore, it allows me to be an example and mentor to others, proving that it is never too late to receive an education.

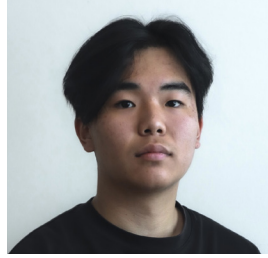

I have been a highly respected contributor and servant leader in the food industry for 13 years. I have a huge passion for my company's success, this industry, and developing future leaders. I am not afraid to challenge the "status quo" and to drive new ways of thinking. I know that I have all the qualities needed to pursue my life dream of completing my professional education while evolving as a leader and having a larger impact on others.

It is my true passion to help others succeed and achieve goals that they once thought were impossible. There was a time in my life where I did not believe that I could have an education and a successful career, which is why pursuing my education and being a role model for others are my top priorities. I have grown to believe that it is never too late to have an education and to keep evolving as a leader and as a human being.

# CGA EDUCATIONAL FOUNDATION WOULD LIKE TO THANK THE FOLLOWING COMPANIES FOR THEIR SUPPORT OF THE CGAEF SCHOLARSHIP ENDOWMENT

In 2017, CGA Educational Foundation announced the creation of the CGAEF Scholarship Endowment honoring their 25th anniversary of supporting the grocery industry with financial assistance and educational opportunities.

The CGAEF Scholarship Endowment supports student success and opportunity by creating a permanent funding source for college scholarships, offering relief to the rising costs that keep many students from completing their education.

California is a place of opportunity—and no industry embodies this promise more than the grocery industry.
