CALIFORNIA GROCERS ASSOCIATION
EDUCATIONAL FOUNDATION

2025 - 2026
COLLEGE SCHOLARSHIP
Recipients

Congratulations to the 2025–26 CGA Educational Foundation College Scholarship recipients. This year, the Foundation awarded **414 scholarships totaling \$933,210** to students pursuing their college education this fall.

From its first \$2,000 award 34 years ago, the program has grown into the most significant grocery industry scholarship program in the country, providing nearly **7,000 students with more than \$11.4 million** in financial support. Through this ongoing commitment, the Foundation ensures that California’s grocery employees and their dependents have the resources needed to achieve their academic and professional goals.

CGA Educational Foundation college scholarships are open to high school seniors, college undergraduates and graduate students who are dependents of employees or are themselves employed by a California Grocers Association member company. Recipients must be enrolled as an undergraduate or graduate student during the upcoming academic term.

Industry-funded Donor scholarships are unrestricted contributions to our scholarship fund. Donors include Anheuser-Busch InBev, Baker Tilly, C & S Wholesale Grocers, Certified Federal Credit Union, ECOS, Ron Fong, Ellyn Gelson, the Illuminators Educational Foundation, Instacart, Kellanova, Tyler & Kara Kidd,

Kimberly-Clark Corporation, Molson Coors, PepsiCo Beverages, Post Consumer Brands, Retail Marketing Services, Inc. (RMS), and WK Kellogg Co.

Legacy scholarships are established to honor individuals, families, or companies with an annual scholarship in their name. Each Legacy scholarship represents a long-term commitment of 10 years to our program.

Additionally, the Foundation partners with CGA member companies through the Piggyback Scholarship Program, which enables employers to provide tailored scholarships for their own workforce. Together, these efforts strengthen the industry by investing in the education, growth, and future of those who help it thrive.

“The CGA Educational Foundation is proud to provide this important program to Association members,” said Foundation Director Brianne Page. “With the cost of higher education rising each year, these scholarships play a vital role in helping students pursue their academic goals. We are deeply grateful to all who have contributed to the program, whose generosity demonstrates our industry’s commitment to supporting the next generation of leaders.”

For more information on the scholarship program and to get your company involved, contact Brianne Page at foundation@cagrocers.com or (916) 448-3545.

SCHOLARSHIP *Endowment*

The CGA Educational Foundation created the Scholarship Endowment honoring its 25th anniversary of supporting the industry with financial assistance and educational opportunities. The Endowment will perpetually award scholarships to grocery industry employees through an initial investment totaling \$250,000 from Founders Circle Members Acosta Sales & Marketing/Clorox, The Albertsons Companies Foundation, Anheuser-Busch InBev, Coca-Cola, Dean Foods/ Got Milk, Frito-Lay, The Kellogg Company, Raley's, Stater Bros. Markets Charities, Southern Glazers Wine & Spirits, and Unilever.

In honor of the Foundation's past and future Hall of Achievement Inductees, the CGA Educational Foundation established the Legends of the Industry Scholarship as part of the Scholarship Endowment. This scholarship is an annual \$10,000 scholarship awarded to an employee pursuing a career in the grocery and/or grocery-related manufacturing industries.

In His Words

I decided to finish my degree because I want to continue to develop as a leader and refine my current abilities. The grocery industry is fast-paced and always changing; therefore, I know that learning more about business, leadership, and operations will help me run my stores more effectively. This degree is about acquiring the tools I need to really affect my team, customers and the overall business... it's not just about personal success.

Returning to school was mostly motivated by a desire to gain more understanding of an overall business operation. Classes have helped me learn what it takes to not only maintain a quality product but also learn more about areas such data analysis, inventory management, and budgeting. These abilities enable me to make wise decisions by enhancing the efficiency of my stores and guaranteeing they are running effectively.

Another big factor driving my goal of finishing my degree is leadership. I have several associates under my supervision as an Assistant District Manager, so I must be able to inspire and help my staff. The courses I have taken thus far have helped me improve my skillsets so I can quickly handle problems, mentor store managers, and build a work environment that fuels success.

CGA EDUCATIONAL FOUNDATION

WOULD LIKE TO THANK THE FOLLOWING COMPANIES FOR THEIR SUPPORT OF THE CGAEF SCHOLARSHIP ENDOWMENT

In 2017, CGA Educational Foundation announced the creation of the CGAEF Scholarship Endowment honoring their 25th anniversary of supporting the grocery industry with financial assistance and educational opportunities.

The CGAEF Scholarship Endowment supports student success and opportunity by creating a permanent funding source for college scholarships, offering relief to the rising costs that keep many students from completing their education.

California is a place of opportunity—and no industry embodies this promise more than the grocery industry.
